Sir:

Patentee hereby requests that a Certificate of Correction be issued to correct a mistake of the U.S. Patent and Trademark Office and to correct mistakes of the Patentee, as set out in the attached draft Certificate of Correction.

REMARKS

At col. 2, line 53: "comC" should be replaced with --comD--. This correction was previously made in the Preliminary Amendment dated September 17, 2001, but was not reflected in the issued patent due to PTO error. The other corrections set out in the attached Certificate of Correction are to correct mistakes of the Patentee that were made in good faith. All of the errors to be corrected are of a clerical nature, a typographical nature, or a mistake of minor character. None of the requested corrections involve changes that would constitute new matter or require reexamination. The errors, and the appropriate corrections, are apparent when compared to the specification as a whole. As one or more of the errors cited in the Certificate of Correction were incurred through the fault of the Patentee, the Commissioner is authorized on the enclosed fees sheet to charge Deposit Account No. 03-2769 for any fees that may be incurred with this request.

Respectfully submitted,

Carol G. Mintz
